DECORATION & ACCESSORIES 2022

INTRO

GOMMAIRE is a Belgian brand founded in January 2015, where the ideas and extensive experience of Gommaire Cleybergh, Bert Verelst and Laurent De Greef have joined together in organic harmony.

GOMMAIRE brings you a timeless collection of interior and exterior furniture, as well as a wide array of decorative items.

Our signature organic accent can be found in all our designs and materials. Almost every piece in our collection has been conceived and created by Gommaire, Bert and Laurent.

The GOMMAIRE collection will bring a specific touch to any setting, from traditional to contemporary design.

The GOMMAIRE organic living concept introduces a new style of interior decoration, indoor and outdoor furniture.

Not only glassware and terracotta pots, decorative statues, teak root plates, a new style of woven baskets and chairs, assorted tables in reclaimed teak and massive French oak, upholstered chairs and sofas, coffee tables, lighting fixtures... but also a wide range of outdoor furniture in reclaimed teak and powder-coated aluminium complete the 'Gommaire organic living' collection.

Our indoor and outdoor collections can be admired in separate catalogs.

GLASSWARE

Our glassware is handmade, mouthblown and bears the original GOMMAIRE stamp or sandblasted logo. By using SODA glass sand compositions, our glass has an extremely bright appearance. SODA glass can be compared to crystal in quality. Mouthblown glassware is always different. Irregularities such as a jagged edge, air bubbles or spiral wave lines are part of the handmade nature and typical for the mouthblown glass production process.

The GOMMAIRE glass collection brings you transparent glassware and solid colored glassware in Olive Green, Topaz Brown, Greyish Black and Powdercolor Green Glass.

For the autumn and winter months, a warm powder-coated Aubergine color has been introduced.

CERAMICS & STONE OBJECTS

The GOMMAIRE ceramics and stone objects are all handmade.

A patinated terracotta clay is used for our ceramics. The fume terracotta finish can vary from greyish to dark because of its handcrafted properties.

Next to the terracotta fume patine look, we have the terracotta authentic grey patine in our collection which has been inspired by ancient weathered terracotta objects from Indonesia.

More recent additions are the unique pots and bowls in green and ochre glazed terracotta made in Morocco with a bespoke signature GOMMAIRE design. Due to a primitive production process, our glazed terracotta can only be produced in limited quantities.

The differences in glaze patina between pieces are part of its handmade appearance. Irregularities, rough unglazed patches and the characteristic 3 dots on the surface are specific to the primitive glazing process in the furnace. It is up to the furnace how each product will look like in the end, giving it an authentic and unique aspect.

Our terracotta is not 100% waterproof! We therefore recommend to always use a protective inner layer or place a protective basin when using water. The GOMMAIRE ceramic collection is for indoor use only!

Our stone objects are carved from Indonesian river stone. The collection includes plates, bowls and torches with a link to the authentic natural stone that is expressed in the organic shape and variations in size and color.

CANDLES

Our candles are handcast and made in Belgium.

The candle collection consists of candles specifically designed for our glassware and terracotta candle holders. Even our floating candles have been created for our large glass hurricanes to create magic moments.

Modern colors like OPAQUE, WHEISCH and GREYSCH are always a good choice when effortlessly combined in interior and exterior spaces.

For the winter season, we have additional colors like MOKA, BLOOD, CAMEL and FONDANT available to emphasize the warm atmosphere candles can bring.

GOMMAIRE has selected 2 candle fragrances: a neutral all-year-round perfume and an Autumn/Winter perfume, which are part of our scented candle range.

COFFEE TABLES, CONSOLES & ACCESSORIES

Most of our wooden accessories are made of teak root structures.

Our decoration collection offers a large number of plates, bowls, pots and stools in a teak natural grey or teak fume finish. Our teak wood units are the perfect companion to our mouthblown glassware and terracotta items.

The particular organic touch is clearly present in the original teak root used. Each piece is unique.

BASKETS

Handwoven baskets in natural materials like croco rattan, srimitt rattan, sanded peel and rattan skin complement our glassware and terracotta items.

The different weaving patterns, materials and sizes give this collection a fashionable style and can be used in many areas: residential houses, hotels, restaurants, flower shops and garden centers. A lot of our baskets come with a liner on the inside, which makes them ideal to use as a planter.

In general our baskets are for indoor use only, however some of our planter baskets can be used outdoor in the summertime. The basket material will have a more weathered look when placed outside - which is in line with the GOMMAIRE philosophy.

LIGHTING

Lighting is an essential part of every interior. The GOMMAIRE lighting collection offers a series of hanging lamps, table lamps and wall lamps in several materials, such as fume glass, black square rattan, natural jute, terracotta and brass with an authentic bronze oxidized patina.

Our light bulbs (LED, non-dimmable) express the subtlety of our lighting collection. For almost all of our lighting pieces, we have the appropriate LED light bulb with an energy consumption of only 3 Watts.

All our lamps are CE-certified.

Article 4

The customer acknowledges that Gommaire NV is the exclusive owner of all copyrights, creations and/or any other intellectual property rights related to the delivered goods, materials and services.

Article 5

5.1 All invoices issued by Gommaire NV are payable in cash unless different payment terms are accepted by Gommaire NV. In any case, all invoices issued by Gommaire NV must be paid in full before delivery/pick-up.

5.2 Payments shall be made to Gommaire NV at Antwerp (B). Any amount that is not paid to Gommaire NV in a timely manner will by operation of law and without prior notice be increased by fixed irreducible damage compensation equal to 10% of the outstanding amount, as well as by default interest equal to the interest rate foreseen in the Act of 2 August 2002 on combating late payments in commercial transactions calculated on the amount owed.

5.3 The late payment of one amount to Gommaire NV shall by operation of law and without notice result in all outstanding, not yet payable amounts owed by the customer in question becoming immediately due and payable in full, and Gommaire NV, without being obliged to pay any damage compensation, shall have the right to suspend further delivery and/or production for the customer in question until the latter has settled all outstanding amounts, and pending orders have been paid in advance.

5.4 In addition, in the case of late payment, Gommaire NV has by operation of law the right to dissolve the agreement without prior notice at the expense of the customer. This dissolution takes place by notification by registered letter. The dissolution takes effect on the date indicated on the proof of posting of the registered letter.

5.5 In the case of dissolution of an agreement by Gommaire NV at the expense of the customer, or in the case of unilateral breach of an agreement by the customer before the delivery of the goods, materials and/or services in question, the customer shall automatically and without prior notice owe Gommaire NV a fixed damage compensation of 50% of the agreed price, without prejudice to the right of Gommaire NV to demonstrate and claim greater compensation. After delivery, this damage compensation amounts to 100% of the agreed price, without prejudice to the right of Gommaire NV to demonstrate and claim greater compensation. The parties agree that the above damage compensation constitutes the actual minimum damage suffered by Gommaire NV.

Article 6

Any dispute concerning an invoice sent, must be notified to Gommaire NV by registered mail within eight days after the invoice date, under penalty of forfeiture.

Article 7

7.1 Verification of (i) the conformity of the delivered goods, materials and/or services with respect to quantity, quality, characteristics, etc. , as well as (ii) inspection for apparent/visible defects in the delivered goods, materials and/or services shall take place at the time of the pick-up/delivery/performance. The corresponding complaints must, under penalty of forfeiture, be expressly stated on the pick-up slip/packing slip/service order and subsequently confirmed by registered letter to Gommaire NV within 24 hours after pick-up/delivery/performance. The partial use or resale of the delivered goods or services also implies acceptance of the entirety. Defects in a part thereof do not entitle the customer to reject the entire order.

7.2 Each complaint relating to a non-apparent defect must, under penalty of forfeiture, be sent to Gommaire NV by registered mail within eight days after discovery, and no later than one year from the pick-up/delivery/performance.

7.3 Within the usual tolerance limits for the sector, deviations in colour, materials, grain, dimensions, look, and the like [including those that are due to natural (raw) materials and/or modified production techniques on the part of the manufacturer] are allowed and shall not constitute grounds for (partial) refusal of the delivery, nor constitute grounds to claim damages and/or (partial) non-payment of the price.

7.4 If a complaint is substantiated, Gommaire NV - at its option - shall resolve the complaint by repair and/or replacement of the non-conforming part of the delivery, unless the end customer opts for a corresponding price reduction after return of the non-compliant part. Filing a complaint for any reason, even using the prescribed forms and within the prescribed deadlines, does not relieve the customer of its obligation to promptly pay by the due date. Except for its warranty obligations indicated above, Gommaire NV is not liable for direct and/or indirect damage (including loss of profit) resulting from defects in the goods sold and/or the services provided, except in cases of serious or deliberate error on its part.

Article 8

The delivered goods, materials and services remain by operation of law fully owned by Gommaire NV until receipt by the latter of the full price of the goods, materials and services, eventually increased with any applicable interest, damage compensation and costs. As long as Gommaire NV retains ownership, the delivered goods, materials and services may never be used by the customer as a pledge or deposit for a claim of a third party.

Article 9

If the customer suffers loss or damage as a result of an error by Gommaire NV for which its liability is not excluded, the latter shall be obliged to pay compensation in the amount of the invoice in question.

Article 10

The parties undertake to immediately replace in good faith any invalid clause by another clause that is as close as possible to the intention of the clause being replaced.

Article 11
